

## Model SP ceiling exhaust fans are now **ENERGY STAR**<sup>®</sup> qualified.

SP-A

SP-A with lighted grille

SP-B

SP-B with lighted grille

What is good for the environment is also good for the bottom line. The ENERGY STAR label makes it easy for customers to identify and purchase energy-efficient products that offer savings on energy bills without sacrificing performance, features, and comfort.

Fan models with the ENERGY STAR Label are:

- SP-A-50, 70, 90, (with and without lighted grille), 200, 250, 290 & 410
- SP-B-50, 70, 80, 90 (with and without lighted grille)

Features and benefits include:

- Quality product at a competitive price
- Licensed to bear the AMCA Seal for Sound and Air Performance
- Models are UL/cUL Listed
- Designed for lowest possible sound levels
- Compact size
- 3 year warranty

*For complete model selections, options and accessories refer to the Centrifugal Ceiling and Cabinet Exhaust Fans Catalog or contact your regional sales manager.*

Greenheck Fan Corporation • P.O. Box 410 • Schofield, WI 54476 • Phone (715)-359-6171 • [greenheck.com](http://greenheck.com)

Products that earn the ENERGY STAR prevent greenhouse gas emissions by meeting strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy.
